Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Geographic Research
THRU : Chief, Geography Division
FROM : Chief, Editing and Review Staff

DATE: 28 February 58

SUBJECT: Photolith Masters for Articles for MR-54

Enclosed are the photolith masters for MR-54 for your review. The coordination of the lead article has not been completed, and a few changes may be required. The final table of contents will be prepared as soon as the responsible analysts have confirmed the titles of maps for their articles. Although incomplete in these two respects, the copy is being forwarded now so that all necessary changes can be made at the same time.
